SERIES POINTS STANDINGS

1. Points are awarded to the top 10 finishers in **each** category.
2. Racers that compete in the double boats, receive individual points as per their finish. For example, if John and Mary paddle a double kayak and they place first, they both receive 15 points towards their individual totals.
3. Everyone is in the same category for the series points.
4. In the event of a tie, the person with the most wins will be ranked higher.
5. Racers in the recreation category are not eligible for Series points.
6. Bonus points are given out in the final race.
